

AILA 2014 learner autonomy related presentations

Thank you very much to the members who provided information in spite of the short notice. Please double-check with your conference handbook when you plan a day. I made my best effort to be accurate, but I couldn't guarantee that the list is error free. Also, as always, the programme is susceptible to change. See you in Brisbane!

Naoko

Symposium sponsored by Research Network on Learner Autonomy

Date & time: Wednesday, 13th August, 11:00-14:00

(Last 40 minutes will be saved for a business meeting.)
